It is herein agreed that:
- The copyright to the manuscript identified above is transferred from the Author to International ASET Inc. This transfer covers the rights to reproduce and distribute the manuscript, including reprints, photographic reproductions, microform, electronic form (offline, online), or any other reproductions of similar nature, including publication in the proceedings.

- The Author certifies that his/her contribution is original, except for excerpts from copyrighted works which might be included with the permission of the copyright holder and respective Authors. Moreover, the Author certifies that this manuscript contains no groundless statements, and does not breach any copyright, patent, trademark, statutory right, or propriety right of others. The Author signs for and accepts responsibility for releasing this material on behalf of any and all co-Authors.

- The Author retains the rights to publish the contribution in his/her own web site, in his/her employer's web site, or any scientific Journals, as long as it is clearly stated that the contribution was presented at **MMME'17** and a link to the **International ASET Inc.** web site (www.international-aset.com) is made available there.

In return for these rights:
The publisher agrees to have the identified manuscript published in the conference proceedings at its own cost and expense.

For jointly Authored works, all joint authors or one of the authors should sign as authorized agent for the others. The undersigned hereby gives permission to International ASET Inc. to have the above contribution published. If the representative author is not able to maintain a digital signature, please print, sign, and scan the document after filling out all other fields.
